# SALARIOS

The image is a screenshot of a Google search interface. At the top left is the Google logo. The search bar contains the text 'front end salary uk'. To the right of the search bar are icons for clearing the search (an 'X') and voice search (a microphone icon). Below the search bar is a horizontal menu with links: 'All' (selected), 'Shopping', 'Images', 'News', 'Videos', 'More', 'Settings', and 'Tools'. Below the menu, it says 'About 67,200,000 results (0.51 seconds)'. The main content area displays a featured snippet titled 'Front-end developer salary opportunities'. The text of the snippet states: 'In an entry-level role, the average **UK front-end** developer **salary** starts at £28,000 and could increase to £57,000 with the right skills and experience. Experienced developer leads have an earning average of £96,000 and development managers could earn a **salary** of up to £100,000.' Below this text is the URL 'https://www.roberthalf.co.uk > salary-guide > technology' and a link titled 'Average Front End Developer salaries | Robert Half UK'. At the bottom right of the snippet area are links for 'About featured snippets' and 'Feedback'.

FIN

¿PREGUNTAS?

Yesterday I saw A book called  
'How to solve 50% of your  
problems" So I bought two books.
